2024 Grant Cycle Updates

Eligibility:

- MMFA accepts grant applications from 501 (c) (3)s domiciled in the United States and from Moravian ministries in North American countries. Preference is given to U.S. Moravian congregations, fellowships, agencies, missions and emerging ministries.
- Previous recipients may apply for a grant from the same fund every three years*; this means if your last grant award from a fund was prior to or in 2021, you are eligible to apply again in 2024.
- If you applied for a grant and were not awarded one, you may apply to that fund again at any time.
- Previous recipients may apply for a grant from a different fund at any time.
- All applicants will be required to have a consultation prior to receiving the information to apply online.

**The Prison Ministry Fund is currently accepting applications from organizations regardless of the last time they received a grant from the Fund. Preference will be given to new applicants.*

Number of applications:

- Each organization may submit only **one** grant application in 2024.

Pass-through grants (defined as the applicant giving all or a portion of the grant award to another organization):

- We strongly encourage the organization that will be utilizing the grant award to be the applicant.
- Pass-through grant applicants will answer an additional question on the application to assist our Grant Advisory Committee with making award decisions.

Moving ministries forward, *together.*

Timing:

May 15-June 15: application period

July 30: applicants notified of decision

July 31: grant awards announced

Application Process:

We are excited to announce that organizations will be able to apply online in 2024. Applicants will create an account for their organization and be able to log in to submit their application, see the award decision, and submit their grant report once the funds have been utilized.

More information will be shared during the consultation.
